Subject: RE: Shaun's Dewy Burdock Tour next week

Hi Rebecca,

I can help with the meeting with Powertech, but I am not involved in the meeting with President Steele.

On June 11, 2015, Region 8 Administrator McGrath is scheduled to attend a site tour of the Dewey Burdock Project John Mays, the Chief Operating Officer of Powertech (USA) Inc. and Mark Hollenbeck, the Dewey-Burdock Project Officer for Powertech (USA) Inc. Closed Press, Edgemont, SD.

Please let me know if you need any additional info. I would need to check with Lucita, our UIC attorney. Shaun asked for the site visit so he can have a better understanding of the site conditions, but there won't be any discussion of any of the permits or aquifer exemption decisions.

Thanks

Valois

Subject: Shaun's Dewy Burdock Tour next week

Hi all,

I compile and send in the Region 8 submissions for the Administrator's Weekly Report and one item on there is "Principal Schedules" where we report travel/meetings, etc. for the RA for the next week and also for the next 30-60 days.

Could you help me fill in the blanks on these two?

On June 11, 2015, Region 8 Administrator McGrath is scheduled to attend a site tour of the Dewey Burdock Project WITH.... TO DISCUSS.... Closed Press, Edgemont, SD. Darcy

On June 11, 2015, Region 8 Administrator McGrath is scheduled to meet with President John Yellowbird Steele of the Oglala Sioux Tribe TO DISCUSS.... Closed Press, XXX, SD. Valois

If you could let me know by COB today, that would be great. I'm supposed to send the reports in by 5pm eastern, but obviously we aren't going to make that deadline!

Thanks!
Rebecca
